REF: Saturday 24th July 2010, Celebrating Staffordshire performance, Sound Check Chesterton Tour, Part of the 2012 Cultural Olympiad

Dear Parents/Guardian & Young Person,

As participants of the Sound Check programme in Chesterton, run by music charity, Make Some Noise, we would like to invite you to perform in **Stafford town centre** on Saturday 24th July.

Make Some Noise has arranged transport and we will be taking Sound Check equipment for use on the day, so all you will need is any instruments that you may wish to take and a packed lunch.

A taxi and a Youth Worker will pick you up from Chesterton Youth Centre at **11am** prompt and will make its way to **Stafford Town Centre** for a **1:00pm** performance. Sound Check: Chesterton Music Leader Chris Watt will be at the venue to help with performance and equipment. The group will then return via taxi/minibus to Chesterton Youth Centre between 3:30pm & 4pm.

Please note: Whilst Make Some Noise will use photography only with written consent from parents/guardians; this is a public event so Make Some Noise have no control over members of the public or other organisations.

If you think that you would like to attend this event and are able to do so, can you please email the attached form back as soon as possible to joanne@make-some-noise.com and send a hard copy to the Make Some Noise office Make Some Noise, Floor 3, Wedgwood Building, Tipping Street, Stafford, ST16 2DH.
